SKILLS

- HTML
- TAILWIND CSS
- CSS
- BOOTSTRAP
- JAVASCRIPT
- LITTLE REACT

EXPERIENCE

- Participated in coding bootcamps or online courses to strengthen technical skills.
- Collaborated on group projects to simulate real-world development environments and workflow.
- Engaged in self-directed learning and exploration of new technologies to stay updated with industry trends.

OBJECTIVES

Seeking an internship opportunity to apply and expand upon my knowledge of front-end development, contribute to meaningful projects, and learn from experienced professionals in the field. Committed to continuous growth and eager to make a positive impact within your organization.

LANGUAGES

- URDU
- ENGLISH
- PUNJABI

PROJECTS

Developed a responsive website using HTML, CSS, and JavaScript, showcasing my understanding of layout and design principles. Implemented Bootstrap components to enhance the user interface and streamline development workflow. Experimented with Tailwind CSS for rapid prototyping and customization of web elements.
